FOREWORD

We are ready to begin climbing a mountain . . . our own mountain. No one can choose it for us. No one can climb it for us. We may seek guidance of those whom we have been depending upon, but no longer can we lean on them. Hitch-hiking will never get us up our mountain. So here we stand, both feet on the ground, and eyes lifted to the peak. Clouds will hide the peak . . . clouds of fear and doubt. Having faith in ourselves, believing in our fellow men, and trusting a Higher Power will lift those clouds. As we climb the first slopes, we will become stronger, surer, and capable of cheering others on their way. And, one day, many years from now, we will reach the peak and remember this moment when we stood straight and tall at our mountain's foothills.

FACULTY

MR. MATTERN, Principal

My congratulations to the 1960 graduates of Allegheny Senior High School. Your final three years in the Public Schools of Pittsburgh are now over and you are going forward to take your place in an adult world. I hope that all the members of the February and June classes will continue to build upon the foundations you have made during your school life.

You have proven that you can see a job through to the finish by your graduation.

May your aims in life be such that you will continue to get satisfaction from the accomplishment of worthwhile things.

My sincere best wishes goes to each and every graduate.

MR. WORLEY, Vice Principal

Long after the ink of the autographs is dry and the frantic rush of your last weeks as a senior are a pleasant memory, you may have occasion to open the old yearbook and read the fine print under the pictures.

By then you should be able to evaluate more accurately your three years at Allegheny. Much that you learned you could not at the time appreciate. Other high school experiences you have put to frequent use.

Whatever these three years have meant to you, it is the fervent wish of the faculty that they will help you in the important job of being useful, law-abiding citizens—a credit to the school you represent.

MISS McKEONE, Counselor

Three years ago the counselor visited your junior high school to help you decide on your course of study when you entered Allegheny. Each semester since then, she has been available to steer you in the right direction as you make up your schedule for the following semester.

She has given you achievement tests and aptitude tests to help you determine what your life work will be and whether or not preparation for it will include college. To her you have gone for advice concerning scholarships and jobs.

Then as graduation time appears the counselor will tell you your class rank which is recorded on the permanent record for future reference.

MR. STEWART, Activities Director

The activities program at Allegheny is a complete and varied one. All students are encouraged to participate in at least one school activity.

A variety of clubs, meeting once a week, offer students the opportunity of pleasant work experiences with others having the same interests.

Evening dances are held frequently during the school year. Then, too, there are the Junior and Senior Proms.

Assemblies are held at regular intervals during the school year. Students participate in most of the Assemblies.

Student Council is a service activity that aids in the smooth administration of all school policies. Every student can work closely with it by taking part in regular homeroom meetings.

FACULTY

Raise a mighty cry,
Hail, all hail to Allegheny,
Hail to thee, dear High.

When with moments swiftly fleeting,
Ages shall roll by,
Thousands yet unborn shall praise thee,
Allegheny High.

Hail, all hail to Allegheny,
Hail to thee, dear High.

NATIONAL HONOR SOCIETY

Becoming a member of the National Honor Society is the highest honor a high school student can attain. The members of the society are selected twice a year by the faculty. To become a member, a student must be outstanding in the four ideals of the National Honor Society. These ideals are: scholarship, leadership, character, and service. Due to the high ideals, only a limited number of students become members of this society.

After the new candidates are selected by the faculty, they are tapped by the present members at one of our assemblies. A few weeks later, they are formally inducted into the Society.

The officers of the Allegheny chapter of National Honor Society are as follows:

President: Robert Kearney, Vice-President: Howard Moretsky, Secretary: Andrea Veverka, Treasurer: Annora Rodgers.

Howard Moretsky lights the candle of service.

Mr. Mattern congratulates Kay Johnson.

The reception is held after the induction.

Editor Annora Rodgers keeps everyone on his toes writing up sports news, dance reports, book reviews, interesting stories and facts; and many other entertaining items.

The Wah Hoo is a unique magazine. Containing both literary and news articles makes it different from magazines of all other schools in the United States.

YEAR BOOK

J. Bundick, Asst. editor; H. Moretsky, Editor.

Editor Howard Moretsky and Assistant editor Joan Bundick along with their staff began working on the 1960 yearbook a year in advance. Careful planning and developing of the cover and division pages is the responsibility of the art staff. Information concerning the seniors, clubs, and activity pictures is left in the hands of the copywriters. The advertising staff has the hardest task of all. These members must begin early selling advertisements and boosters so the yearbook can be printed. The finished product of the combined efforts of these students is very rewarding, for each year Allegheny's Yearbook has been excellent.

BASEBALL

The Allegheny nine finished the 1959 baseball season in a second place tie with Peabody and Westinghouse. They lost a chance for a first place finish when they dropped a 6-5 decision to Schenley on the last day of the season. During league play the Indians registered double wins over Washington and Connelley Vocs. and single wins over Westinghouse and Peabody. Allegheny has some promising young players, and some experienced veterans returning to the squad this spring.

Girls' Sports

The girls in Allegheny earn their chenille "A" by participating in intramural sports. These include: basketball, volleyball, softball, and tenequoit. The teams are composed of girls in different gym classes or home rooms and the games are usually played after school. Miss Flinn and Miss Galbraith sponsor the games and students are usually chosen to be the referees, scorers, and time keepers. For these jobs the girls get 50 points toward their letters.
